

# SPEED DATE MUNCH INFORMATION

## **Adults Only. Must Be 18+**

A NEW and exciting way to meet kinksters has arrived. Please join us in making history by attending the 1st ever FetDungeon Speed Date Munch event being hosted by Mizz. Honey Temper on **February 5, 2022** in Edmonton, AB Canada!

**Please Note Dates have recently changed due to new covid restrictions in place.**

**Speed Date Munch will be by Invite Only to a disclosed kink friendly location for the munch as well as the after party.** Locations will change each month so we can show our support to as many local vendors as possible throughout the year and invites/tickets will be provided after you complete the verification survey and pay the \$5/registration fee to get yourself set up. This is to try and ensure all who register commit to attendance and will have an ideal match to meet. The Speed Date Munch has limited space so be sure to secure your space today. All others who still want to come out and meet up can please join us at the after party where all FetDungeon community members are welcome! Both locations are LGBTQIA2+ friendly events.

## **What is Munch?**

The idea of munch is to meet new friends and potential new partners in a vanilla setting to just chat about common interests in the lifestyle as well as just in general. Typically, munch is done in a big group table setting and everyone meets and orders food and drinks and enjoys a casual meal with some awesome new company. No pressure just a big open blind date for all! Due to covid restrictions and to help people feel easier about meeting new connections FetDungeon is breaking the mold and trying a new approach to a method that I hope you will enjoy.

## **What is Speed Dating?**

For those who have never been this is a fun interactive way to meet everyone in a room on a more intimate level. Speed Dating groups similar to munch events have groups of (typically vanilla singles) but instead of sitting at a big group table couples are paired up and placed at individual spots. After a few moments to ask questions and getting to know the person you're eating and having a drink with a buzzer will sound and everyone switches partners (usually one person remains stationed at the table and the other rotates) until you have met everyone in the speed date group. Generally, in speed dating you only get about 3 minutes of time...again with FetDungeon we are recreating the wheel and will be allowing more time!

## **What can I expect from Speed Date Munch?**

This brand-new hybrid model is a combination of both...allowing us kinksters to meet like minded friends and help to establish new relationships with partners you may otherwise have never encountered. This unique one-of-a-kind idea will be adapted and adjusted as we go along to ensure everyone feels appreciated. It is my goal as a BDSM matchmaker to make sure you get a chance to meet some amazing, clean, sexy matches and new friends. The first part of the evening we will be supporting an amazing well known kink friendly venue to YEG that offers delicious appetizers and sophisticated drinks for nice casual not break the bank prices.

### **What to expect on the evening?**

When you arrive you will check in with Mizz. Honey Temper showing your Eventbrite ticket and she will help set you up with some colored wrist bands and your first seating arrangement partner to begin the fun. You will have approx. 15min with each match and you will have the opportunity to meet everyone in the group. It will be welcomed and encouraged for you to order some food and drinks. Dominants will be the ones to travel from table to table and our submissive will stay seated for duration of the speed date munch portion. Our group will be sitting in a sectioned off area so that you know what tables to move to and everyone will move counter clockwise.

### **Is there a cover charge to attend the Speed Date Munch?**

Yes there is a \$10 cover charge for this event that will be purchased in advance or on the night of using Eventbrite. Please also remember to have all necessary documentation and photo ID to meet covid regulation requirements. We want to ensure everyone is safe and healthy prior to attendance so please do not attend if you are experiencing symptoms. You will need to have proof of a clear test or proof of vaccination to enter the establishment as per provincial bylaw in place.

### **Is there a cover charge to attend the after party?**

Yes. Those interested in joining our afterparty are able to purchase their tickets in advance with Eventbrite. You can get dressed up as sexy or kinky as you desire for the afterparty!! Private spaces are also available to rent out if you decide to get bottle service. (approx. \$20/per person for entry) there will be a local DJ and some entertainers to help keep the atmosphere fun and the endorphins pumping. This will be a great time to chat with someone you may have made a connection with during Munch and see if things click or if you want to pursue an open option.
